Date Sent: 1 March 2021

21 day period ends: 22 March 2021

Introduction

This weekly list sets out what applications have been registered by North Somerset Council within the past week. Local Parish and Town Councils are statutory consultees for the application types listed at appendix 1. The consultation period for these applications is set by Government and starts from the date we sent this weekly list. The date by which the consultation period ends and by when your comments need to be submitted to us, is confirmed at the top of this page and in the notes to the table at appendix 1. If you will not be able to provide your comments by the date the consultation ends, please contact the case officer to request additional time. If the name of the case officer is not shown, it means the application was not allocated to a case officer when the list was generated.

For all other application types, that are not listed in at appendix 1, there is no statutory requirement for you to submit any comments to us and your council is not formally being consulted. This means the consultation period set out above does not apply. We have included these applications in this list for your information and your council can, if it chooses to do so, submit comments, which we will endeavour to consider.

We have prepared a list of all the applications types we deal with on our [website](#).
