

Applications Registered by Parish/Town Council

From: 24 April – 30 April 2023

Date Sent: 2 May 2023

21 day period ends: 25 May 2023

Introduction

This weekly list sets out what applications have been registered by North Somerset Council within the past week. Local Parish and Town Councils are statutory consultees for the application types listed at appendix 1.

For applications shown in this weekly list, that have a suffix that is listed at appendix 1, we are hereby formally consulting the Town or Parish Council within whose boundaries the application is located (please note the variations to this in the notes beneath the table).

The consultation period for these applications is set by Government and starts from the date we sent this weekly list. The date by which the consultation period ends and by when your comments need to be submitted to us, is confirmed at the top of this page and in the notes to the table at appendix 1. If you will not be able to provide your comments by the date the consultation ends, please contact the case officer to request additional time. If the name of the case officer is not shown, it means the application was not allocated to a case officer when the list was generated. However, you can ask who the case officer is by sending an email to developmenttechnicalsupportteam@n-somerset.gov.uk

For all other application types, that are not listed in at appendix 1, there is no statutory requirement for you to submit any comments to us and your council is not formally being consulted. This means the consultation period set out above does not apply. We have included these applications in this list for your information and your council can, if it chooses to do so, submit comments, which we will endeavour to consider.

Applications with a suffix of AOC are seeking to approve details required by a planning condition. They are not subject to formal consultation and so are not listed at appendix 1. You can submit comments about them but please bear in mind that we are required by Government to determine them as soon as possible and without delay, which means we often make our decisions well before the target date.

Sending your comments

Town and Parish councils can send their comments to North Somerset Council using either of the following options.

Option 1 – Upload via website

Submit your comments using the Make a Comment function on the case file online. Your comments will be shown online immediately, and the case officer will be able to see them. Place the name of your council at the very top of your comments so people know they are from you council.

Options 2 – By email

Send your comments to dmscanningrequests@n-somerset.gov.uk and CC them to the case officer. Your comments will take up to five working days to appear on the website.
